Our Family Vacation Rentals LLC, hereinafter referred to as the Company, or the owner of the property, hereinafter referred to as the Owner, offer the short term rental/letting of the property to the person 21 years or over named as the Party Leader and to the named party members (as listed on the Booking Form), hereinafter referred to as the Guest, under the terms set out below and in our Short Term Rental Agreement.

The Company has provided a written quotation by email showing the total rental fee to the Guest for the Property. Quotations are valid for 30 days, unless and until the Property is either booked by a third party, or the Company receives a deposit for the same dates (or part thereof) from any party. Where the Guest agrees by email, facsimile or other written device to book the Property, the Company will provide a booking confirmation to the guest by email. The booking shall be provisional for a period of 5 days from the date of the booking confirmation. The Guest must pay the required deposit within that 5 day period. During that period, in the event that the Company receives inquiries regarding the same dates (or part thereof) the provisional booking will hold until the end of the 5 day period. After that time, the Company reserves the right to accept any booking for the Property from a third party, where said third party agrees to payment prior to receipt of payment from the Guest.

#### Confirmed Booking

On receipt of the required payment from the Guest, the Company will issue a Confirmed Rental Arrangement by email, facsimile or postal mail to the Guest. Only on release of the Confirmed Rental Arrangement from the Company is the booking determined as confirmed.

#### Acceptance

The Guest agrees that payment of the rental deposit to the Company will signify their full acceptance of the Short Term Rental Agreement and Security Deposit Requirements and all acknowledgments therein. The Guest further acknowledges that by payment of the final rental sum, the Guest has received copies of, and/or read and accepted the Short Term Rental Agreement and Security Deposit Requirements on this web site.
